I am at home. 5_impera_05_L

My mother **is working** in the kitchen. I am in my room. I **am talking** to my friend, but my brother Peter **is playing** football in the garden. Suddenly the ball is in the neighbour's garden.

Peter: **Go and get** the ball John. You **must climb** over the wall.

But **don't dirty** your jeans.

We **can't wash** your jeans.

Hurry up!

The neighbour: Hey you boy! **Come here! Give me** the football! **Don't run away!**

You **can wash** my car.

Peter: I **must go** home. My mother **is waiting** with my dinner.
