Past Tense

6e_sim_pas_10

It is Saturday. My parents are out. I am alone at home. First I watch TV until ten o'clock, then I go to bed. But I clean my teeth first. In my room I sit on my bed. Suddenly my mobile rings. I take it immediately and answer it. I put it to my ear and say, 'Hello, who is speaking?' Nobody answers. The line is open all the time. I can hear voices and some noise at the other end but nobody is talking to me. Is it a bad line? I don't know. But after a minute or so I put down the mobile. I go down to the kitchen and get a drink. Then I go upstairs again. The minute I am upstairs the mobile starts ringing again. I put down my drink and rush down to answer it but again there is nobody. I am very much afraid and lock the door, take my clothes off and jump into my bed. I switch off the light
